

State Urban Parks and Healthy Communities Grant Program

Purpose of the Program

Provides grants to buy and develop property for athletic fields, sports courts, gyms, and facilities for soccer, baseball, football, basketball, tennis, or swimming.

Who Can Apply

The Counties listed below can apply, along with cities, recreation districts, special districts and 501(c)(3) community-based organizations within those counties.

| | | |
|--------------|-----------------|---------------|
| Alameda | Orange | San Mateo |
| Butte | Placer | Santa Barbara |
| Contra Costa | Riverside | Santa Clara |
| Fresno | Sacramento | Santa Cruz |
| Kern | San Bernardino | Solano |
| Los Angeles | San Diego | Sonoma |
| Marin | San Francisco | Stanislaus |
| Merced | San Joaquin | Tulare |
| Monterey | San Luis Obispo | Ventura |

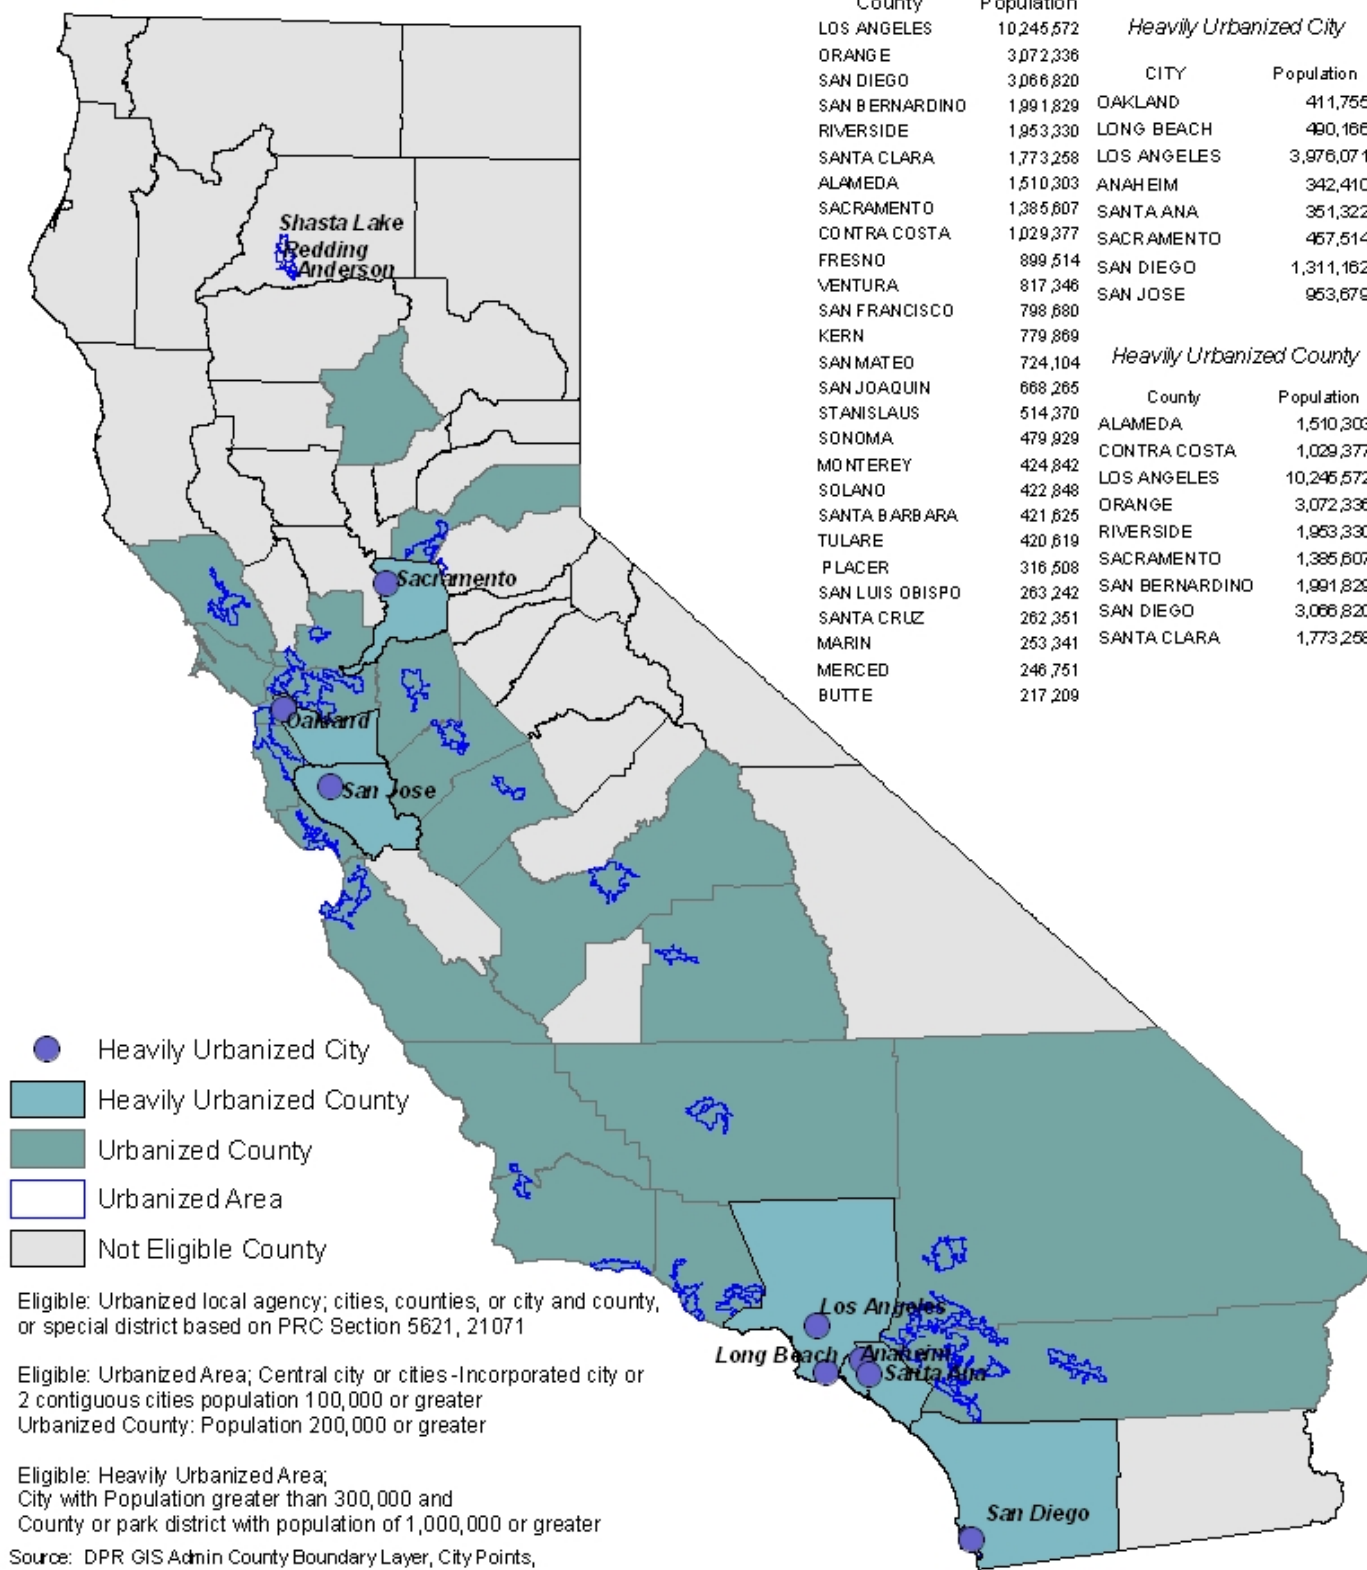

Sample Projects

These funded projects are good representations of the State Urban Parks and Healthy Communities grant program. They provide facilities for the public to participate in physical activities.

- Artificial turf athletic fields, picnic area and related amenities being built in the City of Berkeley.
- Renovation of a swimming pool complex in the City of Hawthorne
- Construction of a lighted freestyle bike park in the City of Fresno.
- A new gymnasium and classrooms in the city of Tehachapi.
- Creation of an 11-acre regional park in the City of Westlake Village, with soccer and baseball fields, a specialized field for disabled youth, trails, picnic areas, basketball courts, and a skate park.
- Development of a universally accessible playground in the City of Chula Vista.
- Expansion of an existing gymnasium in the City of Riverside through construction of a boxing and fitness center.
